“ I was saddened when I heard about the passing of Cheryle. Cheryle embraced me when I became employed at DPL years ago. She always had an encouraging word for me. There were times when we would have our belly laughs! She was very humble and easy to talk to. Cheryle saw things in me that I didn't see in myself, and I will forever be grateful that our paths crossed.  
Brittney, you are in my thoughts and prayers. (You have my #). You had a wonderful Mom and thanks for sharing her with us!

“ My condolences and prayers go out to Cheryle’s family and friends. She was a joy to know and work with; a beautiful soul with a brilliant mind. I remember feeling sad when she retired; but I rather keep that sadness over this one. If she could positively impact me in the few brief years I knew her, I can only imagine how much she blessed the lives of those who knew and loved her much longer.

“ My Dearest Britney and Family, you have my deepest and sincerest condolences in the loss of your Mother. Cheryle is definitely one of God’s beloved Angels who has earned her wings. Cheryle was such a sweet loving and caring person. She will always be remembered and deeply missed. “ My heart is broken after losing my dear, dear friend, Cheryle. I still weep, for her every single day. We wrote each other a few times a week, and had shared a closeness that was precious to me. Stuart and I live in England, but when we visited the USA, we stayed at my sister's home a few years ago and Cheryle joined us for lunch then. I'll always remember how special she was and we shared so much that day. Both my husband and I loved her so. Goodnight, Sweet Angel. We shall miss you terribly, but you will always live forever in our hearts. Love, Marie & Stuart Bright
