“ I’m definitely going to miss our times together talking about everyone and EVERYTHING..us building one another up over life’s trials and tribulations.We may not have been blood sisters but we were sisters none the less. I will forever remember the day when we sang “The best in me” by Marvin Sapp.. telling each other that we sounded good knowing darn well we both sounded a hot mess! I intend to see that “SPECIAL” promise through to the end! Until we meet again...I love you sissie- girl
