“ *We were so saddened to learn that Dale was gone. Neighbors for such a long time, you were there as our children grew up. He had a great sense of humor, was always willing to lend a hand, and had a gentle spirit. We are all the better for being privileged to have met such a great man.*

“ To Cindy, Jennifer and Chance. Tom and I are so sorry to hear of Dale’s passing. For the last few days we have been reminiscing of many fond memories working with Dale. Along with his great talents of repairing any project, as well as decorating the church so beautifully for Christmas and Easter with Jim, he was also the most caring, considerate person we knew. He would tell us stories of Cindy and his children with so much love in his heart. We are very sorry that we will not be able to attend the service, please know that our prayers and love will be with you. God bless all.

“ Even though I’m new to the family..... Dale was my father in law and I must say that Dale was an amazing man. He was a man of great joy and happiness. He loved his family like no other. He will be missed by so many people. I wish that I had more time to really get to know Dale. He is now in a much better place looking down upon all of us. My heart hurts for my wife Jennifer ( Dales Daughter) and our son Bradley ( Dales grandson) my heart also hurts for Cindy (Dales wife) and chance (Dales son). I lost both of my parents with in the last 6 years. I know the pain that everyone is going through. Dale may be gone but he will always be with each one of us in spirit and memories. Dale will always be in our hearts forever. R.I.P Dale we love you FOREVER!!!!
