“ Erin & Laura,
I am so sorry for your great loss. Your mom was one of the kindest, most loving people I know. May she now rest in peace, and may you carry on with her strength and love.

“ To Donna's dear family,
Donna was my childhood friend in Sunday School and 4-H, always kind to all of us. I truly miss her joining us at Zion when she vacationed at the lake. She always had a beautiful smile and genuine caring for everyone. You are in my prayers for God's comfort.

“ I am sorry for your loss. The Bible promises that very soon we will no longer have to suffer the pain of loss. We can enjoy a world free of all suffering and pain (Revelation 21:4). We are also promised that one day we will see our loved ones again (Acts 24:15). May you find comfort in the beautiful promises of our loving heavenly Father.

“ Dear Erin and Laura,
I have many pleasant memories of the times I spent with your parents.
I knew them from the dental community. Please accept my sympathies.
They were a great couple and so proud of their daughters. They were always smiling and positive. My thoughts and prayers are with you both.

“ Dear Dr, Erin and family (including the office staff) — I know that this has been such a trying time for you these last few years. You are so very strong. I think that is mainly because of love — the love of an all encompassing family. Your dad and mother displayed love — to each other and I am certain to all they met. I did not know your mother, but, I knew your dad — and even when we met him in public, he was always cheerful and radiated love. You radiate love. Please accept our sincerest condolences for the loss of your mother. May God hold you and your family in the palms of His hands and help you heal. May your mother finally rest in peace.

“ We will miss our friend Donna. She was such an inspiration to us. She was strong, courageous, kind, and generous. She loved her family deeply. Her friendship was very important to us, we lost a bright light in our life with her passing. Heaven will be waiting for her with open arms and a McDonalds tea, lots of ice and extra lemon! Miss you our friend :(

“ *Donna was one of the strongest people I've ever known. She was a dedicated nurse and loved her family more than anyone could know. She fought so hard and had such a positive attitude because of that love. I know she is happy and at peace now with her husband and family. Erin, Laura and families, you are in my prayers. Sending you love and support.*
