Edgar F. "Ed" Howell, age 78, of Bear, DE, passed away on Tuesday, June 11, 2024.

Born in the city of Washington DC on November 8, 1945, he was a son of the late Harry and Hazel (O'Neal) Howell and was raised in Bethesda, MD. “ Ed was my big brother, but I only met him once because we didn't know each other until later in life when we found out that we were brothers. We were adopted by different families, but enjoyed talking and joking about our lives, and how the paths we took were so different. We both came out wiser for sharing our stories. I will miss you and our talks, brother.
