“ I worked with John for several years at Dupont locations in Gloucester City and New Castle. I remember John as someone you could count on in an emergency. I was new to trucking operations and I leaned on him for his expertise many times. I felt close to John because of his Ukranian heritage. I was born and raised in South Wilmington the location of the Ukranian Church. Most of my friends were Ukranian. In fact I learned to speak a little of the language. When he learned I was being transferred to Wilkes Barre he gave me a few pointers on getting along with the people up there. His advice came in handy. May God bless all and may John find rest in the arms of the Lord.

I will always remember Johnny for his smile and cheerful disposition.  
He was a great friend to my father and everyone who knew him had nothing but kind words to say about Johnny.

“ *Dad, I was named after you but to the family I was “Jack”. It will be an honor to carry on your name for as long as I can. The memories and love I have will keep me close to you until we are together again.*
