“ I hope the whole family will reconnect again soon when God brings about his promise that’s found in Revelation 21:3,4. That’s a time that my family and I are looking forward to too. I am very sorry for your loss. Please be assured your family will be in my prayers.

“*Kristi, your words break my heart for I know how hard it is to be without him, to never see him again or hear his voice. Honestly life will never be the same without him. He was so loved by so many people. There were men crying over the lose of their friend, just shows you how he affected everyone. He brought out the love from all that knew him. We had a great celebration one that Mike would have liked. People wrote nice words about the good times they had with him. Kristi you were Mikes best friend and he loved you very much. I was so glad that he had you to talk to. I only wish he would had followed your path so we could still have him here with us. You take care of yourself and you will always be a part of the family.*

“ Sincere Condolences, Mike was such a fun loving guy, usually with a grin or smile on his face. He will be missed by many. He was way to young, and will serve as a reminder that life is so precious and can be gone in an instant. Hopefully, you can hold on to all of your childhood and adult memories of him to help ease the pain of his loss. There are really no words to express how sorry we feel for your loss. Please accept our Deepest Sympathy and prayers of strength and comfort. Love and may God Bless you all.
R.I.P Michael we will miss you.

“ Michael, I will miss you more then you can imagine. You had a heart of Gold and one of the best personalities that I had ever encounter. You were the best brother anyone could ask for. I will miss your singing, laughter but not the loud music you would play lol Heaven has just received an Angel so behave yourself so you can get you wings. Hug and kiss Mom for me and until we meet again I love very much. Take care love Sharon
