“ Pat has been my friend for over 60 years and never has there been such a beautiful spirit as she was. Always optimistic and always smiling that would lift your spirits.
I remember fondly how the three of us Friends would often go out to dinner and joke around and laugh until tears came down our faces....those were such memorable times I’ll never forget. I just received a beautiful card from her a few days before her passing encouraging me through my trials.... so it is fitting to say she was always thinking of others and was a true Christian in every possible way. Love u forever Pat❤️

“ Our sincere condolences go out to Pat’s family. Pat was a dear friend and neighbor for over 50 years. I will truly miss her and miss our long conversations. I always enjoyed hearing her stories about her family who she loved so much. Every day when I pass by her house I can’t believe she’s gone and we won’t have any of our long conversations which invariably ended up in laughter. I will miss you terribly dear Pat. She was so loving, caring and giving. God bless your family. I know they will miss you terribly, especially at this time of year. I know you’re up in heaven with your fellow angels looking down on us and praying for us as you always did in life.

“ To the family of Mrs. Noack:
I can’t say anything you don’t already know about your precious Mother and Grandmother, however I must let it be known that I’ve personally experienced her caring, kindness, love and genuine devotion and faithfulness to The Lord. She lead by example in her faith and as a strong woman!!! She worked full time (and a half) and raised her children in truth and values and her home was welcoming and happy. I remember her wall in the family room completely covered with framed pictures of her family ❤️, there was never a doubt that her family was her heart. And all the food she prepared!, It was always a holiday in her kitchen. 😊
What a celebration in heaven as Our Lord Jesus welcomed his very faithful servant home. I pray His Comfort for your broken hearts.
With my deepest sympathy,
MaryBeth Scalise
