At least you will be with dad, tommy and Denise. Life is not going to be the same. It is heartbreaking hearing little Bennie going to moms and saying ray where are you. “ Dear Mullins family,
I am so sorry for your loss. I hope that the many fond and loving memories of Ray sustain you in your grief. I have memories of Ray helping out my Father and later of helping me on the farm in Bear. I wish I could attend his visitation however, I have something happening Friday that I signed up for months ago. Know you will be in my thoughts. I will light a candle and say a prayer for his spirit to go forth shining.

With great affection, Faith Whittington

“ Sorry to hear of Rays passing. He worked for me just out of high school driving a concrete truck and pump truck for Bear Concrete Co. for quite a few years before he went into business for himself. He was a good employee and a good person. Ray will be missed by all who knew him. My condolences to his family.

“ So saddened for the passing of my nephew, Ray Mullins. He had a good, kind heart. Would help anyone in need. He had a great work ethic. He was always there for his Mother. I know she will miss him greatly, as we all will. May be rest in peace in the arms of Jesus. 😭
