“ I am so sorry I have lost another great brother who is now in God's Heavenly care. God will reward him for all of the love and activity he gave to the church. He way a great and caring person, always considerate of the needs of others. He was always exceedingly proud of his family and to what they have accomplished. He was most considerate and kind to my family, often going out of his way to provide tokens of love and support. We shall miss him greatly.

“ I will fondly remember all the good times enjoying his poems and his playing the piano at church. His music made the room sing joyfully. So glad he is at peace with his Lord and Savior.
