“ What a crushing loss this was for so many. Dan has been my best friend, and my brother for almost 25 years. Through many ups and downs, we have always come through it on top. Throughout those years, Roxanne, Barry, Val, Ricky, Elise, and Mom mom, have become like family to me. This has hit me hard, so I can only begin to fathom what you all must be going through. I wish more than anything that i could be there with you right now, celebrating the life of such an amazing woman. Just know that i love you all, and please, dont hesitate to reach out.  
Love,

“ *I worked with Rox for many years, she was kind, generous and a joy to be around. She loved her family very much and her little grandson was the light of her life. I am so sorry, she will be missed.*
