

Suzanne Monroe "Sue" Wickersham

May 13, 2020

Suzanne Monroe "Sue" Wickersham, age 73, of Hockessin, DE, passed away peacefully on Wednesday, May 13, 2020.

Born in Wilmington, DE, she was the daughter of the late Rollin and Marie (Devine) Monroe. Sue was a beautiful woman both inside and out. She was dedicated to her family and will be remembered as a loving sister, aunt, and friend. Sue was a dedicated employee of Winterthur Museum and Gardens for over 46 years.

She doted on her nieces, "nephews", grandnephew and grandniece. You never knew when a special surprise would show up at your doorstep because she saw something "that you just had to have". Sue's friends considered her a sister. She was a kind and caring woman, giving of herself in many ways. When someone was in need, she was the 1st to help out.

In addition to her parents, Sue was preceded in death by her husband, David

B. Wickersham; and her precious Yorkies, Luvie, Beau, Bonnie, Meg and Max. She is survived by her brother, Gary Monroe (Lee); nieces, Kirsten Pitrizzi (Mark) and Rebecca Roeper (Stephen); grandnephew, Zachary Roeper; grandniece, Carleigh Roeper; and her “sister”, Beverly Dahl.

Due to current conditions, a Celebration of Life will be held at a future date.

In lieu of flowers, donations may be made in Sue’s memory to Delaware Alliance for Animal Welfare Groups, Inc. at <https://www.daawgs.org/info/donate>

“ It was my privilege to know Sue for the 27 years I worked in Winterthur’s Public Safety department. I believe she was the longest serving member of Public Safety. Sue was there when I was hired and was there when I retired. She was a classy lady and was respected by all. Department heads came and went, but Sue was always there as the administrative assistant and was loyal to every one of them. She will be sorely missed.

“ I had the pleasure of “working with” Sue, but mostly ” working for” Sue – (aka Soozie , Sooze, Susie) at Winterthur Public Safety for almost 15 years. Sue’s work schedule was Monday – Thursday. My work schedule is Friday – Tuesday. This only gave me two days a week to see Sue.

I used to beg Soozie to change her days off so we could work together for all (4) of her weekly work days ! She was to smart for that.

Although I think Sue thought of me being a pest, always begging for supplies, etc., I want to think she liked me.

Sue was my friend and she was a very important part of the public safety team. Believe me, she will never be forgotten. She loved her family dearly. Sincerely, Mike Quig

“ Sue was a wonderful person to work with, over the past 11 years as we worked together in the Public Safety Dept. at Winterthur. Sue was always positive and easy to get along with. My wife Bernie and Sue looked forward to the Christmas Holiday Season as Sue always gave Bernie gifts that she loves. In return Bernie gave Sue gifts that always brought her joy.

Sue will certainly be missed as many staff at Winterthur are sending their condolences.

“ Sue, you are my best friend forever, and were such a gentle and giving soul. You loved your family so much and shared a mutual love with the “Just So” gals as well, that will remain in our hearts forever. After 60 years of friendship since childhood, it has been such a wonderful pleasure to grow older with you even though our time together was not nearly long enough. Every tear that I shed is a memory that we shared over these years, every conversation, every secret, everything that we had in common, the laughter...oh so much laughter. That is what will keep you in my heart. What gives me strength is that I know you are in a much better place that only we can dream of. I love you more than my words can say. Just know that you are my soul sister, and I am with you in spirit. We will meet up again in our Lord’s loving arms.
