“ *Please accept my heartfelt sympathies. My heart goes out to the family. Death is something we will never get use to. In fact, God’s Word refers to death as an enemy. (1 Corinthians 15:26) Very soon our loving Heavenly Father, Jehovah God, will remove death once and for all and give us the opportunity to see our loved ones again here on the earth.*

“ *Very sorry to hear of your family loss. I worked with Bob at the University of Delaware and spent time with your mother and Bob many, many times. Wonderful people that I will always remember. Nice to know that the grandchildren got a chance to know her – they would have loved Bob too!*
