“ I'm so sorry to come across the news of Walt's passing. He took care of my family and myself when he was a pharmacist at Eckerd's then to Happy Harry's/Walgreens. I moved away from the area a while back and used another pharmacy but would always swing through to Walgreens when I was in the neighborhood to holler a "Hi". He had an encouraging vibe and was kind, it meant a lot to me that he cared. My sincere condolences to his family and friends. He was one of the good guys!

“ My condolences to Wadjus family. I was born next door to him, Carolann and Rosie in Scranton. The Myslewiczs and the Kruk's were friends for many years. We all grew up together. I will always cherish the Indian beaded necklace that Wadzu brought for me from his Boy Scout Jubilee out west. It's over 70 years old now. I look at it and think of him every time. Rest in Peace now dear neighbor Wadzu. !
